

SUPPORT KIDSMILES THROUGH KROGER COMMUNITY REWARDS!

Thank you for participating in the 2016 Mother's Day 5k. A portion of the proceeds from this event go toward helping KidSMILES provide dental care to children in need. Another way you can continue your support is to consider signing up to become a Kroger Community Rewards Partner!

KidSMILES provides quality dental care and education to children at an affordable cost to their families. KidSMILES' unique operating model relies on your continued philanthropic support through efforts like the Kroger Community Rewards program and the support of volunteer dental professionals. If you are not partnering with KidSMILES through the Kroger Community rewards Program, we hope you will consider joining. Together we are making an important difference for the children we serve and for the central Ohio community.

Thank you for your support!

KidSMILES is a volunteer-led, non-profit dental clinic dedicated to providing quality dental care and education at an affordable cost to families. Located at 770 Bethel Road in Columbus, the KidSMILES clinic looks just like a traditional regular dental office and treats eligible children 18 years old and younger for \$10 a visit. We offer comprehensive, high quality services including: dental exams, cleanings, x-rays, fluoride treatments, sealants, cavity removal and restoration, and extraction. We do not accept Medicaid, Caresource or any other insurance. **There are no invoices, bills, or added expenses.**

Thanks to generous grants from the Columbus Blue Jacket Foundation, the Dublin Foundation and the American Academy of Pediatric Dentists, KidSMILES also provides a fun and engaging educational outreach program to central Ohio school districts, preschools, and service agencies. Teams of dental volunteers promote good dental hygiene and healthy eating choices through interactive presentations and games.
